All property, real, personal, or mixed, situated within the corporate limits of the City of Huntsville on January 1st of each year, not expressly exempt by law, shall be subject to taxation by the City for such year. The Council may prescribe the mode and manner of making renditions, tax lists, assessments, and tax rolls. Every person, partnership, association, or corporation holding, owning, or controlling property within the limits of the City shall, between January 1st and June 1st of each year, file with the City Tax Assessor and Collector a full and complete sworn inventory of such property held, owned, or controlled within said limits on January 1st of each year. The Council may prescribe by ordinance the mode and manner of making such inventories, and penalties for failing or refusing to submit the same. The City Tax Assessor and Collector shall review all renditions made to him and determine the value of the property rendered and fix the value thereof for tax purposes. If the Assessor fixes a value higher than that shown on the owner's rendition, he shall give written notice thereof to such owner at his last known address by depositing the same, postage paid, in the United States mail, notifying him of such change and advising him that he may appear before the Board of Equalization to protest such change. In all cases where no rendition of real and personal property is made by the owner thereof, the City Tax Assessor and Collector shall ascertain the amount and value of such property and assess the same, and such assessment shall be as valid and binding as if the property involved had

been rendered by such owner, provided that if the City Tax Assessor and Collector shall assess any such property which has not been previously assessed, or if he shall assess any such property at a higher valuation from that shown on the last preceding tax roll, he shall give notice of such assessment, or such change in assessment, as above provided.

All assessments of real property, whether rendered by the owner or assessed by the City Tax Assessor and Collector, shall list the value of each parcel of land separately; and describe such property sufficiently to identify it, giving the name of the last known owner thereof. If the ownership of any property shall be unknown to the City Tax Assessor and Collector, he shall state that fact. The City Tax Assessor and Collector shall assess all property which has been omitted from assessment in prior years upon a current supplemental assessment roll. The taxes upon such supplemental assessments shall be due at once and if not paid within sixty days thereafter shall be deemed delinquent and shall be subject to the same penalty and interest as other delinquent taxes for such year. In addition to the powers granted by this Section, the City Tax Assessor and Collector shall have the same power as the County Tax Assessor and Collector in Texas to make reassessments, all at the same value and tax rates as such property should have been assessed and taxed for past years and indicating the year or years for which it is assessed.

#### SECTION 12.04. BOARD OF EQUALIZATION.

The Mayor, with the approval of the Council, shall each year prior to June 1st appoint a Board of Equalization composed of not less than three members, none of whom shall be employees, officers, or members of the Council of the City. Each member of said Board shall be a qualified taxpaying voter in the City, shall be well informed upon property values within the City, and shall not be delinquent in the payment to the City of any taxes or assessments or be indebted to the City in any manner. Said Board shall choose from its membership the chairman, who shall preside at all meetings of the Board. Members of the Board during their period of service shall receive such compensations as may be provided by the Council, and shall perform no other duties for the City.

The Board of Equalization shall convene as soon as practicable after June 1st and shall give notice of its time and place of meeting. The Board shall adjust assessed values, and in addition to the powers herein granted shall have all the powers of a County Commissioners Court in regard to the equalization of assessed values of property for taxation. Whenever the Board shall find it necessary to increase the rendered or assessed value of any property appearing on the assessments rolls, it shall give immediate notice to the owner of such property, or the person rendering the same, and provide said owner an opportunity to appear and show cause why the value of such property should not be changed. The notice herein required may be served by mailing the same to the last known address of the owner, postage paid. The Board shall have the same powers to subpoena property owners of the City, witnesses, books, and records as are granted by the Laws of the State of Texas to the County Board

of Equalization and shall have the power to administer oaths and to punish for contempt as provided by ordinance.

The Board shall be governed by such rules and regulations and shall have such additional powers as may be prescribed by ordinance, but it may adopt such further rules and regulations of its own which are not in conflict with any City ordinance or Law of the State of Texas. The Board shall cause a record of its proceeding to be made, and such records shall be preserved to the same extent and in the same manner as other tax records of the City. Immediately upon completion of its work, the Board shall certify its approval of the assessment rolls and forward the same to the Council. The Council shall thereupon approve the assessment rolls and they shall thereby become the assessment rolls of the City for that tax year.

#### SECTION 12.05. TAX PAYMENTS.

All taxes due to the City shall be payable at the office of the City Tax Assessor and Collector and may be paid at any time after assessments have been made final by the Council. The ad valorem taxes levied by the Council shall become due and payable on the first day of October in each year, and the same shall be paid before the first day of February thereafter. All unpaid taxes shall become delinquent as of the first day of February of the year following their assessment, and shall be subject to such penalties and interest as are imposed by the Laws of the State of Texas in case of delinquent State and County taxes or as the Council may provide by ordinance.

#### SECTION 12.06. TAX LIENS AND LIABILITY.

All property, real, personal, and mixed, situated in the City on the first day of January of each year shall stand charged with a special lien in favor of the City from said date for the taxes due thereon. The liens provided herein shall be superior to all other liens except for State and County taxes, regardless of when such other liens were created. All persons purchasing any of said property after the first day of January in any year shall take the same subject to the liens herein provided. In addition to the liens herein provided, the owner on the first day of January of any year of property subject to taxation by the City shall be personally liable for the taxes due thereon for such year. The City shall have power to sue for and recover personal judgment for taxes without foreclosure, or to foreclose its lien or liens, or to recover both personal judgment and foreclosure. In any such suit where it appears that the description of any property in the City assessment rolls is insufficient to identify such property, the City shall have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien or for personal judgment against the owner for such taxes.

#### SECTION 12.07. ARREARS OF TAXES OFFSET TO DEBT AGAINST CITY.

The City shall counterclaim and offset any debt, claim, demand, or account owed by the City to any person, firm, or corporation who is in arrears to the City for taxes, in the amount of taxes so in arrears, and no assignment or transfers of such debt, claim, demand, or

account after the said taxes are due, shall affect the right of the City to so offset the said taxes against the same.

#### **SECTION 12.08. OTHER RULES AND REGULATIONS.**

Except as otherwise provided by law or by this Charter, the Council shall have the power to provide by ordinance for the assessment and collection of all taxes, and to make such rules, regulations, and mode of procedure to enforce the collection by and payment to the City Tax Assessor and Collector as it may deem expedient, and may provide such penalties for the failure to pay such taxes as it may deem expedient.

##### **SECTION 13.01. INALIENABILITY OF CONTROL OF PUBLIC PROPERTY.**

The right of control and use of the public streets, highways, sidewalks, alleys, parks, public squares, and public places of the City is hereby declared to be inalienable by the City, except by ordinances not in conflict with the provisions of this Charter. No act or omission by the Council or any officer or agent of the City shall be construed to grant, renew, extend, or amend, expressly or by estoppel or implication, any right, franchise, or easement affecting such public streets, highways, sidewalks, alleys, parks, public squares, public places, and other real property, except as provided in this Charter.

##### **SECTION 13.02. POWER TO GRANT FRANCHISE.**

The Council shall have the power by ordinance to grant, renew, and extend all franchises of all public utilities of every character operating within the City and, with the consent of the franchise holder, to amend the same. Provided, however, that no franchise shall be granted for an indeterminate term, and that no franchise shall be granted for a term of more than thirty years.

##### **SECTION 13.03. ORDINANCE GRANTING FRANCHISE.**

##### **SECTION 13.04 TRANSFER OF FRANCHISE.**

No public utility franchise shall be transferred by the holder thereof except with the approval of the Council expressed by the ordinance.

##### **SECTION 13.05 FRANCHISE VALUE NOT ALLOWED.**

In fixing reasonable rates and charges for public utility service within the City and in determining the just compensation to be paid by the City for public utility property which the City may acquire by condemnation or otherwise, nothing shall be included as the value of any franchise by the City under this Charter.

#### **SECTION 13.06. REGULATION OF FRANCHISE.**

Every grant, renewal, extension, or amendment of a public utility franchise, whether so provided in the ordinance or not, shall be subject to the right of the Council:

- (a) To forfeit any such franchise by ordinance at any time for failure of the holder thereof to comply with the terms of the franchise. Such power shall be exercised only after written notice to the franchise holder stating wherein the franchise holder has failed to comply with the terms of the franchise and setting a reasonable time for the correction of such failure, and shall be exercised only after hearing and after such reasonable time has expired.

- (e) To collect from every public utility operating in the City such proportion of the expense of excavating, grading, paving, repaving, constructing, reconstructing, draining, repairing, maintaining, lighting, sweeping, and sprinkling the streets, alleys, bridges, culverts, viaducts, and other public places of the City as represent the increased cost of such operation resulting from the occupancy of such public places by such public utility, and such proportion of the cost of such operations as results from the damage to or the disturbance of such public places caused by such public utility; or to compel such public utility to perform at its own expense, such operations as above listed which are made necessary by the occupancy of such public places by such utility or by damage to or disturbance of such public places caused by such public utility.
- (f) To require every franchise holder to allow other public utilities to use its poles and other facilities, including bridges and viaducts, whenever in the judgment of the Council such use shall be in the public interest, provided that in such an event a reasonable rental shall be paid such owner of the facilities for such use. Provided further, that inability of such public utilities to agree upon rental facilities shall not be an excuse for failure to comply with such requirement by the Council.
- (g) (1) To require the keeping of accounts in such form as will accurately reflect the value of the property of each franchise holder which is used and useful in rendering its service to the public and the expenses, receipts, and profits of all kind of such franchise holder.
