REMARKS (Qty, Type, Notes, Etc.)		

Please read the following notes before signing this application:

- You **must** activate an account with Utility Billing.
- Please allow a minimum of 5 business days for tap fees to be quoted.
- Please allow a minimum of 7-10 business days to complete the work once the work order has been generated.
- A plumbing, and/or irrigation, and/or fire suppression permit must be obtained.
- For new development, the project engineer shall be responsible for obtaining any required TXDOT permits.
- The City will construct the tap to the edge of the right-of way or the easement line.
- To locate an existing tap shall be a charge of \$200. If the existing tap cannot be located, the \$200 will be applied to the price of a new tap.
