

ADDENDUM No. 2

11th Street Waterline Replacement COH No. 12-11-01 MBESI No. 10250022 December 14, 2016

The following are changes, clarifications, and responses to questions from Proposers:

1. Substitute Attachment A for pages 4 to 12 of Section 00301 – Technical Proposal.
2. Substitute Attachment B for Section 00520 – Standard Form of Agreement
3. Regarding questions as to the project working hours:
The City will limit working hours to between 7:00 a.m. and 7:00 p.m. except for select service change overs as stipulated in Section 01046.
4. Regarding questions as to the required completion time:
Contractor shall specify project completion time and schedule, as requested on page 13 of Section 00301.
5. Regarding questions as to construction staging areas,
Contractor shall supply staging areas. Closed portions of streets shall not be used for staging.
6. Regarding questions as to formatting of Section 00301, part III. Experience, paragraph 3, On-Going Projects:
The items provided shall be projects identified by Name and Location. The sub-items shall be Contract Amount, Percent Complete, Projected Completion Date, and Reference Contact Information.
7. Regarding questions as to formatting of Section 00301, part III. Experience, paragraph 7, Completed Projects:
The items provided shall be projects identified by Name and Location. The sub-items shall be Contract Amount, Date Completed, and Reference Contact Information.
