The following information is required pursuant to Texas Local Government Code, Section 271.049(b)(4): As of June 16, 2020, principal of all outstanding debt obligations of the City is \$28,700,000 (the City currently anticipates issuing, in conjunction with the issuance of the Certificates, approximately \$20 million in additional general obligation bonds approved by the voters in Proposition 2 of the November 8, 2016 bond election). As of June 16, 2020, combined principal and interest required to pay all outstanding debt obligations of the City on time and in full is \$41,171,346. The maximum principal amount of the Certificates to be authorized is \$3,400,000. The estimated combined principal and interest required to pay the Certificates to be authorized on time and in full is \$4,936,400. The estimated interest rate for the Certificates to be authorized is 2.65%. Such estimate takes into account a number of factors, including the issuance schedule, maturity schedule and the expected bond ratings of the proposed bonds. Such estimated maximum interest rate is provided as a matter of information but is not a limitation on the interest rate at which the bonds, of any series thereof, may be sold. The maximum maturity date of the Certificates to be authorized is August 15, 2045.
