

# City of Huntsville

## Flood Reduction Planning

### Citizen Input Form

May 12, 2022

The City of Huntsville has contracted with LJA Engineering, Inc. to develop a scope to prepare a Master Drainage Plan. The development of this scope will include an inventory of available data, evaluation of current drainage studies, a review of the City's ordinances, and an evaluation of current flooding problems.

The ultimate goal is to provide the City of Huntsville with a recommended plan, which when implemented, will reduce the existing flooding that occurs within these watersheds. Although the City is aware of the flooding problems, LJA is requesting additional input from citizens.

Name \_\_\_\_\_ Phone No. \_\_\_\_\_ (H)

Address \_\_\_\_\_ (W)

\_\_\_\_\_ Email: \_\_\_\_\_

How long have you lived/worked at your present location? \_\_\_\_\_

Have you had flood water in your home/business? \_\_\_\_\_ (Y) \_\_\_\_\_ (N)

Date(s) the flooding occurred: \_\_\_\_\_ How high was the water in your home? \_\_\_\_\_

What do you think would help solve your flooding problem? \_\_\_\_\_

How could your property be protected? \_\_\_\_\_

What would you like to see accomplished with this project? \_\_\_\_\_

Do you have any photographs or videos of the flooding event(s)? \_\_\_\_\_

If yes, may we make copies? \_\_\_\_\_ (Y) \_\_\_\_\_ (N)

Other comments, sketches or information: Use back

Beginning May 12, 2022, flooding problem areas can be submitted online at <https://www.huntsvilletx.gov/Drainage>, <https://luke.ljaengineering.com/requests>, emailed to [smartinez-trujillo@lja.com](mailto:smartinez-trujillo@lja.com), or with the LUKE Application available from the Apple iTunes and Google Play App Stores. You can download the App by scanning the QR code below..

Please drop at the door or mail to Sonia Martinez, P.E.
