

# THE TEXSHARE CARD...

## IMAGINE A LIBRARY AS BIG AS TEXAS!

---

A TexShare Card provides you with borrowing privileges from almost 500 participating libraries across the state. If you're a registered patron of The Huntsville Public Library, you may request a TexShare Card. You must be a patron in good standing and have demonstrated compliance with your library's existing borrowing policies. Please check the library website, [www.myhuntsvillelibrary.com](http://www.myhuntsvillelibrary.com), or contact the library by telephone or email prior to visiting in person in order to determine eligibility. See the guidelines below for general information about the program.

### 01 To qualify for a TexShare Card the customer must:

- Have had their full-privilege library card for at least SIX MONTHS
- Have no fines or overdue items on their account or in their family group account
- Be age 18 or over

### 02 Use Your TexShare Card

Typically, libraries do not permit TexShare cardholders to download ebooks or eAudiobooks. Fines for late returns or lost materials apply to TexShare Card borrowers.

The first time you visit a library to use your TexShare Card, be sure to bring a photo ID, your library card, and your TexShare Card. You'll be asked to complete a registration form in order to activate your borrowing privileges at that library.

### 03 Enjoy Your TexShare Card... Responsibly

You have responsibilities as a TexShare Cardholder. The reverse side of the Card has an agreement you must sign and follow.

You should become familiar with the policies and restrictions of any lending library you use, as failure to abide by library policies may result in revocation of your borrowing privileges. If lending libraries report that you have lost books or failed to pay fines, libraries may take appropriate actions, including suspension of borrowing privileges at your library and revocation of your TexShare Card.

***Ask the library staff for more information or call 936-291-5471***

*Please note: A TexShare Card does not provide access to TexShare Databases or other online resources at libraries.*
