RE: **City of Huntsville**
TCDP Contract No: **721371**

Dear Mayor Green :

This is in response to your recent wage rate request for your TCDP project. As you are aware, the Davis-Bacon Act requires a valid Department of Labor (DOL) Wage Decision be in the contract specifications before bids are opened and be in effect on the date of contract award for this Texas Community Development Program project.

The following General Wage Decision has been determined to be applicable for:

BID ACTIVITY: provide first-time sewer service to households on the city's east side by installing a lift station, sewer pipe/force mains, manholes, aerial crossing, service connections, and septic tank closures

WAGE DECISION: **TX010047**
PUBLICATION DATE: **03/02/2001**

Please keep us informed of the bid opening and award dates. Modifications or superseded decisions published ten days prior to the bid opening must be included in the contract specifications. **By calling us ten days before the bid opening**, we will be able to confirm the most current wage decision to be used for the contract.

Please look to see if any jobs needed for the project are not shown on the Decision. If a needed classification is not shown, complete and submit the *Request for Additional Classifications* Form once the contract has been awarded to the prime contractor. The *Request for Additional Classifications* Form can be found in Chapter 7 of the TCDP Implementation Manual.

Thank you for your efforts to comply with the Davis-Bacon labor regulations. If I can be of any assistance, please feel free to contact me at (512) 475-3823.
